Blessings! For Seniors Companion Care LLC, a non-medical in home care provider located in Goodyear, has received the Mature Worker Friendly Employer Certification from the Governor's Advisory Council on Aging and the Arizona Mature Workforce Initiative.

As a Mature Worker Friendly Certified employer, Blessings! For Seniors understands the changing nature of Arizona's workforce and is preparing for the future where one in four Arizonans will be over the age of 60 by the year 2020. Blessings! For Seniors recognizes the importance of workplace flexibility and providing learning and advancement opportunities for the mature worker.

In accepting this award, Blessings For Seniors signed a pledge that includes:

- Creating and maintaining a workplace that demonstrates and values the contributions of the mature worker.
- Utilizing recruiting practices that attract and maintain an age diverse workforce.
